Two Days Workshop

On

## The Facilitative Leader

23rd & 24th March, 2020

### FACILITATOR

Mr. Ajit Kamath, CPF  
WizTalks Management  
Consultants

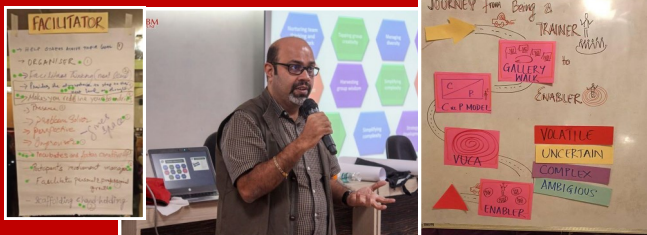

### PROGRAM OBJECTIVE

In today's times, the make of employees has dynamically changed. They stick around in organizations only and only if they are engaged and connected, or else, they move to different pastures. Leaders are positioned based on their performance and not seniority. However what gets forgotten is that performing individuals may not necessarily be great leaders. Therefore Leaders need to learn to Engage and Connect with their people and Influence them.

This workshop makes one learn the nuances of facilitation as a powerful tool to engage and connect with people. It makes one realise the importance of inclusiveness, psychological safety, diversity and discretionary effort in Leadership by showcasing tools, methods and processes that a Leader can use back in their environments .

### WORKSHOP OUTCOME

- Deepen Knowledge & Understanding of Leadership traits and Facilitation competencies and explore the connection between both.
- Learn at least 7 Facilitation Processes / Methods / Tools that can be used by Leaders
- Create & Sustain Engagement by enhancing Team's Ability to Share, Contribute, Agree and Disagree Respectfully.
- Guide Team-members to Appropriate and Useful Outcomes
- Experience facilitating meetings rather than directing meetings
