Workshop on “Competency mapping & assessment Centers”

The Academy of HRD, in collaboration with Institute of Management, Nirma University, recently organized a dynamic three-day workshop on "Competency Mapping and Assessment Centre" from February 16th to 18th for students of Masters program in HRM.

We had the pleasure of engaging with the exceptionally bright students of Nirma University, Ahmedabad, Gujarat, India, who brought enthusiasm and curiosity to the discussions and activities throughout the workshop. Dr. Nidhi Vashishth, PhD, an expert in the field, skillfully facilitated the entire program, ensuring an enriching and interactive learning environment for all participants.
